WANAS Showcase: Solidarity for Palestine Sign-up

The WANAS Showcase: Solidarity for Palestine will be a Middle Eastern & North African Cultural Show as well as a showcase of artists' solidarity with Palestine. This event is organized by West Asian and North African Students Association (WANAS). **This will be a ticketed fundraising event, where all the proceeds will go to benefitting Gazans through reputable means.**

We welcome performances and arts focusing on **Middle Eastern & North African culture**, particularly **solidarity performances and arts centered around Gaza or the Palestinian cause**. We will have **a simultaneous gallery in the Wilson Hall Center Gallery** for photography, drawings, and other visual artworks focusing on MENA culture.
For performance ideas: This could be a dance performance to Arabic music, an original written work, reading a piece by a Palestinian poet, singing a song by a MENA diasporic artist, and more!

If you would like suggestions of Palestinian music/dances/poetry to perform, email us at wanas@middlebury.edu! We would love to help anyone interested in finding a performance or artwork that works for you.

We will be accepting proposals for performances and art until **March 31st, 11:59pm.** The show will be on **April 26th in Wilson Hall.**
